

PRIVACY POLICY

This privacy policy governs your use of the software application STGO (“Application”) for mobile devices that was created by SecurityTronix. The Application is used to remotely access SecurityTronix Digital Video Recorders and other connected equipment (cameras, alarms etc.) to view live video and recorded content.

What information does the Application obtain and how is it used?

User Provided Information

The Application does not automatically collect any personally identifiable information from the mobile device on which it is installed. The information you provide when you download and create a user account for the Application is stored locally on the device. Creation of a user account is optional. However, please keep in mind that you may not be able to use all of the features offered by the Application unless you create a user account.

Automatically Collected Information

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

Does the Application collect precise real time location information of the device?

This Application does not collect precise information about the location of your mobile device.

Do third parties see and/or have access to information obtained by the Application?

Only aggregated, anonymized data is periodically transmitted to external services to help improve the Application and our service. We will share your information with third parties only in the ways that are described in this privacy statement.

We may acquire and/or disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.

What are my opt-out rights?

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

Data Retention Policy, Managing Your Information

All User provided data which is entered into the Application is stored locally on your mobile device and is not transmitted or shared with SecurityTronix in any way.

Children

This application is not intended to be used by children under the age of 13. If a parent or guardian becomes aware that his or her child has entered information without their consent and wished to delete the data, fully uninstalling the application from the device will delete anything which was entered.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy may be updated from time to time for any reason. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes. You can check the history of this policy by [clicking here](#).

Your Consent

By using the Application, you are considered by us to be in agreement and acceptance of the terms of use of the software and this privacy policy.
