

COM3000 Digital System Options For Lodging & Institution Satellite Television Systems

Advanced Entertainment Platform (AEP)

INTRODUCING THE ADVANCED ENTERTAINMENT PLATFORM

**Contact Us For System
Design Assistance**

The Advanced Entertainment Platform (AEP) provides DIRECTV linear satellite and broadband over-the-top (OTT) content for an enhanced entertainment experience for your customers. This next-generation solution adds an in-room set top box, antimicrobial custom remote and cloud services to the HD COM3000 system.

Designed specifically for the hospitality, healthcare and other commercial institution markets, the Advanced Entertainment Platform Provides curated targeted content through a customizable, user-friendly interface.

Flexible, cloud-delivered updates to meet changing market needs

Remotely manageable no PMS integration required

Customizable home screen includes a logo, welcome message, background image and more

Streaming from personal devices through STAYCAST™

4K content

On demand programming through app-based content

Add your own channels and share information with your customers with local and over-the-air content insertion features

Live TV: includes sports, breaking news, hit shows and more

Give your customers more entertainment options and ways to consume content
