

High Speed Steel Flex Drill Bits

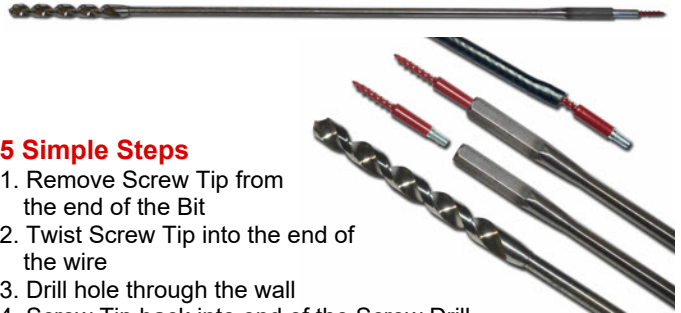

- Aggressive 118 degree cutting tip drills fast, clean holes
- Fast spiral flutes improve debris removal and reduce drag
- Premium M2 grade steel stays sharp longer
- Two Piece Construction - allows for a harder bit and a more flexible shaft
- Cuts through Wood, Metal, Nails and Screws
- Beveled shanks for improved grip in all drill chucks

FLX1418H	1/4" X 18" HSS Flex Bit with Hole
FLX1424H	1/4" X 24" HSS Flex Bit with Hole
FLX1436H	1/4" X 36" HSS Flex Bit with Hole
FLX1472H	1/4" X 72" HSS Flex Bit with Hole
FLX3824H	3/8" X 24" HSS Flex Bit with Hole
FLX3836H	3/8" X 36" HSS Flex Bit with Hole
FLX3848H	3/8" X 48" HSS Flex Bit with Hole
FLX3854H	3/8" X 54" HSS Flex Bit with Hole
FLX3872H	3/8" X 72" HSS Flex Bit with Hole
FLX1224H	1/2" X 24" HSS Flex Bit with Hole
FLX1272H	1/2" X 72" HSS Flex Bit with Hole

- FLX38XPK3**
3 Pack - HSS Flex Bit 3/8" Diameter, 12", 18" & 24" Long
- FLX3824PK3**
3 Pack - HSS Flex Bit 3/8" Diameter, 24" Long
- BELL3824PK3**
3 Pack - Bell Hanger Bit 3/8" Diameter, 24" Long

Screw Drill Wire Pulling Drill Bit

5 Simple Steps

1. Remove Screw Tip from the end of the Bit
2. Twist Screw Tip into the end of the wire
3. Drill hole through the wall
4. Screw Tip back into end of the Screw Drill
5. Pull the Screw Drill with attached wire through the wall.

- SCD3818** 3/8" X 18" Screw Bit, wire pulling drill bit
- SCD3824** 3/8" X 24" Screw Bit, wire pulling drill bit

Quattro Auger Flex Drill Bit

- Truly a landmark in drill bit design
- Drill smooth, clean holes in wood quicker with the new QUATTRO Auger Bit
- Four cutting edges allow for rapid cutting
- Large flutes insure easy and thorough removal of debris
- Crafted from high quality steel
- Screw tip at the head pulls the bit aggressively through wood and makes drilling an effortless task
- Beveled shanks for improved grip in all drill chucks

- QTT1218** 1/2" X 18" Quattro Auger Flex Bit
- QTT1224** 1/2" X 24" Quattro Auger Flex Bit
- QTT3454** 3/4" X 54" Quattro Auger Flex Bit
- QTT3472** 3/4" X 72" Quattro Auger Flex Bit
- QTT136** 1" X 36" Quattro Auger Flex Bit

FIB-GUD
Folding Drill Bit Guide Tool
For added control to flexible shaft drill bits
Folds for easier storage and portability

FIB-LTT
Professional Level & Template,
Mark precise, level holes in paneling and Drywall, Works for single and dual gang boxes.

BES-HL452
LED Headlight,
Super High Intensity LED with Zoom, Three-way switch (High, Low, Flash), Adjustable head strap, Hinged LED mount.

WM396
Super Wrist Magnet,
Holds any steel tools or parts,
Keeps both hands free to do the job.

FIB-PP
Drywall Protector Plate,
Temporarily locks on and protects the work hole and surrounding area from costly paint and drywall damage.

FIB-FML
Flex Magnet Light, Strong 5 pound magnet on the tip for retrieving tools and hardware, 23 inch flexible shaft bends into any position.

Fiberfish II 3/16" Diameter, Plastic Coated, Orange Rod Kit

Features:

- Plastic Coated Fiberfish II Orange Rods
- No More Splinters!!
- Durable zinc-plated, rustproof, machined steel end fittings
- Perfect for a wide range of installation situations & challenges
- Stiff enough for drop ceilings
- Flexible enough for insulated walls
- Kit comes packaged in a handy, clear carrying case with vinyl caps

PCF207

Fiberfish II 3/16 Inch Diameter, Plastic Coated, 6 Foot Orange Rod Kit

Kit Contains 30 total feet: 1 - 6 ft B/F, 4 - 6 ft M/F rods, Bullnose Tip, Fish Hook and Ball Chain

PCF208

Fiberfish II 3/16 Inch Diameter, Plastic Coated, 3 Foot Orange Rod Kit

Kit Contains 24 total feet: 1 - 3 ft B/F, 7 - 3 ft M/F rods, Bullnose Tip, Fish Hook and Ball Chain

Features:

- Plastic Coated Glowfish Glow-in-the-Dark Rods
- Super Flexible - Great for tight jobs
- Durable plastic coating which greatly reduces splintering and slivering of fiberglass
- No More Splinters!!
- Durable zinc-plated, rustproof, machined steel end fittings
- Perfect for a wide range of installation situations and challenges
- Kit comes packaged in a handy, clear carrying case with vinyl caps

GLF407

Glowfish II 5/32 Inch Diameter, Plastic Coated, 6 Foot Glow-in-the-Dark Rod Kit

Kit Contains 30 total feet: 1 - 6 ft B/F, 4 - 6 ft M/F rods, Bullnose Tip, Fish Hook and Ball Chain

GLF5X5

Glowfish II 5/32 Inch Diameter, Plastic Coated, 5 Foot Glow-in-the-Dark Rod Kit

Kit Contains 25 total feet: 1 - 5 ft B/F, 4 - 5 ft M/F rods, Bullnose Tip, Fish Hook and Ball Chain

GLF408

Glowfish II 5/32 Inch Diameter, Plastic Coated, 3 Foot Glow-in-the-Dark Rod Kit

Kit Contains 24 total feet: 1 - 3 ft B/F, 7 - 3 ft M/F rods, Bullnose Tip, Fish Hook and Ball Chain

GLF718

Glowfish II 5/32 Inch Diameter, Plastic Coated, Glow-in-the-Dark, 18 Inch Tool Box Kit, Compact kit fits in your tool box, bag or suit case

Kit Contains 12 total feet: 1 - 18" B/F, 7 - 18" M/F rods, Bullnose Tip, Fish Hook and Ball Chain

GLF307

Glowfish 3/16 Inch Diameter, 6 Foot Glow-in-the-Dark Rod Kit

Kit Contains 30 total feet: 1 - 6 ft B/F, 4 - 6 ft M/F rods, Bullnose Tip, Fish Hook and Ball Chain

FIB223

Flex-Fish & Chain

24 inch flexible wire fishing tool with 10' ball chain. Threaded on one end, magnet on the other

FIB560

Starter Attachment Kit

Includes: Wisp Head, Fish Hook & Replacement Bullnose Tip. For 3/16" & 5/32" Wire Installation Rods

FIB565

Expanded Attachment Kit

Includes: LED Tip, Wisp Head, Fish Hook, Replacement Bullnose Tip, Ball Chain, Screw Tip & Pull Ring Conveniently stored in a sealable, vinyl pouch. For 3/16" & 5/32" Wire Installation Rods

FIB555

High Intensity LED Tip

For 3/16" & 5/32" Rods, 2 Pack
