LABOR SAVING DEVICES INC.

PB8
Screw & Connector Bag
Eight separate compartments with parachute cord closure/carrying handle

YFT15 15'
YFT30 30'
Fiberglass fish tape for use in conduit and tight runs not able to be completed with more rigid rods.

ReBore-Zit™ - Drill Bits
REB3/8 3/8"
REB3/4 3/4"
The ReBore-Zit drill bit is the only drill bit designed to enlarge a previously drilled hole while retaining the existing wire in that hole.
The bit is fabricated with a custom made, hollow bodied drill bit containing a free spinning, swivel eyelet mounted to its pilot hole center shaft. Just secure your existing wire onto the eyelet and re-drill your hole to a larger size. The bit will not twist the wire. Available in 3/8" & 3/4" diameters.
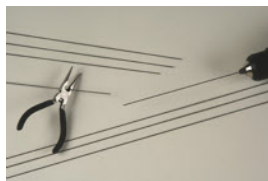

EZS
EasyStripper™ - Self Adjusting Wire Stripper
The EasyStripper™ multifunction wire stripping tool makes wire stripping fast and easy. This self-adjusting tool can strip wire from 10 – 26 gauge, stranded or solid core wire with one squeeze of the handles.
The replaceable jaws grab the wire jacket, cut it and strip it away in one smooth motion. Built of solid high quality construction, the tool also provides connector crimping and wire cutting capabilities built-in to the handle.

WNRS
Wet Noodle™ - Magnetic In-Wall Retrieval System
The ball chain and retriever concept helps save installation time. Contains three components: a 24" flexible insulated retriever with magnets at each end; 10ft. of lightweight ball chain with a stop-ring; and an 18" telescoping pocket retriever.

PW36047
The Perfect Reference Point Bit
The Reference Point Bit is an extremely small (0.047" diameter) wire bit for preliminary identification of drill bit path. Made of 36" long spring wire, this bit can be cut at an angle and any length to make the smallest "reference" bit. Packaged as a convenient 10-pack.

GR-MINI 10' Telescoping Pole
GR12 12' Telescoping Pole
GR18 18' Telescoping Pole

Grabbit™ - Fiberglass Telescoping Poles
The Grabbit series of telescoping poles are constructed of non-conductive, lightweight, shockproof, friction locking telescoping fiberglass. The tools include our patented Z-tip wire "grabber" tip. The inner V of the Z-Tip has a double knife edge designed to literally grab the wire insulation without cutting the actual metal wire, while the outer V (without knife edge) is designed to push a wire loop. The GRMINI, GR12 and GR18 now include a handy snap-on light accessory (included) for seeing in dim lighting areas. Don't forget the free J-Tip, which handles wire loops or metal fish tapes.

DCZ
DeCoil-Zit™ Reel Holder
The DeCoil-Zit is a collapsible wire reel/spool holder that can be quickly assembled or disassembled for on-site use and easy storage. Holds standard reels up to 20" diameter. Consists of two heavy duty tempered steel tripods, welded and finished in tough, purple powder coat finish that slide together with standard 1/2" conduit to form a stable platform for your wire reels

DBHC10
Dual Bladed Hole Cutter
• Cuts holes from 2.25" up to 10"
• Simple assembly, easier to use than traditional speaker hole cutters
• No counter weights to fight with which reduces vibration for ease of use
• Two separate cutting heads offer cleaner cut, two additional replacement blades also included with case
• Easier blade adjustment and round bowl design for easier clean-up

WE-MINI
Wall-Eye™ Mini
The Wall-Eye Mini can be used with only 3/4" access hole and the installer can rotate the Wall-Eye Mini to get a complete 360 degree view of hidden obstacles and potential profit killing dangers such as water and gas pipes.

EZ-CUT
Single & Dual Gang Box Template & Level
The EZ-CUT™ Template and Level is a template for cutting out single or double gang boxes and includes integrated vertical and horizontal leveling vials to assure you are positioning your box in a perfectly level position.

CZ24
Creep-Zit Compact 24ft. Kit - Threaded Connector Wire Running Rod Kit
Kit Includes:
- Seven FiberFuse™ 3ft. push/pull rods with male and female threaded connector ends
- One Luminous (glows in the dark) FiberFuse™ 3ft. push/pull rod with a fixed bull nose end and a female threaded connector end
- Whisk Threaded Connector Tip
- Lighted Bull-Nose Threaded Connector Tip
- Ball Chain Lanyard (12" length)
- Premium nylon shoulder "quiver" case with zippered tip pocket

CZP36
Creep-Zit Pro 36ft. Kit - Threaded Connector Wire Running Rod Kit
Kit Includes:
- Five FiberFuse™ 6ft. push/pull rods with male and female threaded connector ends
- One Luminous (glows in the dark) FiberFuse™ 6ft. push/pull rod with male and female threaded connector ends
- One 6ft. Fish Tailz™ 1/8" Mesh Pull Sock
- Whisk Threaded Tip
- Lighted Bull-Nose Tip
- Ball Chain Threaded Connector Tip (12" ball chain length)
- Female Bull Nose Threaded Connector Tip
- Kit is packaged in a clear square plastic tube

RR30
RoyRods 30ft. Kit - Quick Connect Wire Running Rod Kit
Kit Includes:
- Gold Quick Release Thumb Pick
- Lighted Bull-Nose Quick Connect Tip
- Four FiberFuse™ 6ft. push/pull rods with male and female Quick Connect ends
- One FiberFuse 6ft. push/pull rod with a fixed bull nose end and a female Quick Connect end
- Luminous Whisk Quick Connect Tip
- Ball Chain Quick Connect (12" length)
- Kit is packaged in a clear square plastic tube sealed by two yellow rubber cap ends

GR6BB
6' Fiberglass Flexible Wire Pusher
Fluorescent green color, .162" diameter
With metal bull nose tips on both ends

GR6LBB
6' Fiberglass Flexible Wire Pusher
Luminous Glow in the dark fluorescent green color, .162" diameter with metal bull nose tips on both ends

CZ30
Creep-Zit 30ft. - Threaded Connector Wire Running Rod Kit
Kit Includes:
- Four FiberFuse™ 6ft. push/pull rods with male and female threaded connector ends
- One FiberFuse 6ft. push/pull rod with a fixed bull nose end and a female threaded connector end
- Luminous Whisk Threaded Connector Tip
- Lighted Bull-Nose Threaded Connector Tip
- Ball Chain Lanyard (12" length)
- Kit is packaged in a clear square plastic tube

CZ30L
Creep-Zit 30ft. Luminous Kit - Threaded Connector Wire Running Rod Kit
Kit Includes:
- Four Luminous (glows in the dark) FiberFuse™ 6ft. push/pull rods with male and female threaded connector ends
- One Luminous (glows in the dark) FiberFuse 6ft. push/pull rod with a fixed bull nose end and a female threaded connector end
- Whisk Threaded Connector Tip
- Lighted Bull-Nose Threaded Connector Tip
- Ball Chain Lanyard (12" length)
- Kit is packaged in a clear square plastic tube

RR24
RoyRods Compact 24ft. Kit - Quick Connect Wire Running Rod Kit
Kit Includes:
- Seven FiberFuse™ 3ft. push/pull rods with male and female Quick Connect ends
- One Luminous (glows in the dark) FiberFuse™ 3ft. push/pull rod with a fixed bull nose end and a female Quick Connect end
- Lighted Bull-Nose Quick Connect Tip
- Whisk Quick Connect Tip
- Ball Chain Quick Connect (12" length)
- Brass Quick Connect Release Thumb Pick
- Premium Nylon Shoulder Case with Zippered Tip Pocket

CZX
Creep-Zit 6ft. Rod w/ Threaded Male/Female Connectors

CZB
Creep-Zit 6ft. Rod w/ Bull Nose/Threaded Female Connectors

GR6
6' Fiberglass Flexible Wire Pusher
Fluorescent green color, .162" diameter
Flat end with hole for attaching wire
